

SPECIAL OFFER!!!

HIGH PRESSURE INJECTOR LINES

Do you buy your High Pressure Lines separately?

NEW MEDICAL are offering any new customers a chance to try our new and improved **high pressure contrast injector lines** at HALF PRICE!

These lines are currently being used at the Royal Brisbane & Women's Hospital and The Townsville Hospital in Queensland.

If you haven't ordered these before, we are offering you a FREE box of 100 pressure lines when you purchase your first box.

That's right! Order one box of 100 pressure lines and get a second box of 100 lines completely free!

We have two lengths of pressure lines in stock. Order details are below.

Send us an email to sales@newmedical.com.au or call us on **0410 537 746** with any questions or to place an order (POs must be emailed).
